Anthony J. "Tony" Sternisa passed away peacefully on Tuesday, Nov. 17 after a short, sudden battle with cancer. Tony was the son of Anthony J. & Pauline Sternisa, both deceased; brother of Richard L. “ Georgie and Anthony words cannot express the sorrow I feel for you both. Memories of playing at your home as a kid to Tony being a werewolf at the haunted house as a teenager to Tony hemming my dresses for prom. Sharing his photos and records from his doo whop days to always have a smile and hug for me. Just a few smiles of my heart. His love for you both will always be. Love that strong does not end. As Anthony said one-of the best men in this world. All my love to you both.
