“ Our greatest sorrow is in the loss of life of someone held near & dear in our hearts. Like a safe lighthouse, iMike kept watch over those he held dear, guiding them with compassion, and great care. Great neighbor of the Miller family, even greater friend, Mike was loved & cherished, an ear for one. He will be forever in our hearts. Stay near dear friend, and keep watch over us from heaven. With deepest sympathy,  
Valerie & Richie Miller

“ To my dear family,

There are no words that would describe our heartfelt condolences to you at this time. We've shared so many times up and down, memories, and jokes. Uncle Mikey" was a nick name my whole family called him. He always had the greatest sense of humor. He could imitate any accent and make the funniest jokes. My special memory of him was when I lost my drivers license and was afraid to drive downtown. He came to my rescue and drove around an hour to find a parking spot. Unbeknownst to us I also had to reapply for a birth certificate. Finally after listening to blaring rock and roll music in the courthouse everything was taken care of. He will be missed but we will always be blessed by having him in our lives.

With Much Love,

Vicki and Frank
