“ I met Kristin (Sweets) at the Edna House. She was a big part of my beginnings. Sweets is one of them girls that i will always remember when she came the edna house. How open and willing she was to learn and take suggestions. Her kindness, gentle soul and the most beautiful infectious smile were just a few of the blessing we all were gifted. She truly was an inspiration to her sisters at Edna. She shared herself and always made time to help others or lend an ear to anyone who needed it. She was liked and loved by everyone. She made us laugh, cry and feel ok....no matter our struggle or joy may have been. I will never ever forget my forever Edna sister. Always will be in my heart and never forgotten. Sweets...love you beautiful! Thank you for being part of my journey and to many others.

“ Such a beautiful soul. I will always cherish our talks about dreams, aspirations, and life in general. She had a heart of gold. I love you always, Kristin.

“ I used to tease Kristin at NERC. I would tell her that she must be up to something because nobody could be that happy and she would reply that her heart was just full of Jesus. She lived in the Faith Dorm and I saw many women like her become completely transformed after living in that dorm just a few months. When she was in a play she was the absolute funniest girl on cast, we all really enjoyed it. Her smile and her laughter were beautiful, and she will be missed until we are reunited again with her in heaven.

“ You were always my strength. You kept me safe. You kept me sane. And this was not something you deserved. But I guess God and your daddy needed you more than we did... I'm thankful I got to tell you I loved you before you left... I will always be missing you... and I will always be loving you. You've left such a mark on me...
