“ Francine Hekelman first met Louise Bier in 1958 when Louse became her nursing Instuctor. Over the years we became quite close when Louise was one of Francine’s Nursing Instructors. For well over 40 years Francine and Louise became close friends. During that period of time Louise suggested Francine go on for a higher degree in Nursing Education. From than on Francine visited Louise and her husband Chuck and spent time with with Louise’s daughters and son. She spent Christmas Eve with the family and eventually Francine introduced Louise to her family and future husband. The Bierer family was an important part of Francine, Larry and, their daughter Aleece. We cared deeply about her and will trully miss her.
