“ I’m sorry for your loss.  
When Adam first started at Walmart I always talked to him, every time I seen him.  
Adam always asked “who’s that beautiful lady with you?” I said my wife Dawn, he said man you’re lucky.  
So after that, whenever we seen him, he would always talk more to her than me.  
We could always tell when Adam had a bad day. So we would stay and talk to him for a couple minutes to brighten his day. And he would always brighten ours too 😊

I’m sure going to miss him.
