WE

“ Dad,
All the things you taught me, all the time you shared, all the memories we had...

They are so, so much MORE than any funeral or 'celebration of life' could ever convey.

I miss our phone calls every day. I miss our bull sessions. I just miss you.

*Love,
Wendy*

I am still with you - every second of every minute of every hour of every day.

And I know you are with me - because half of me IS you.

BIG HUG!
