“ My uncle Al was a special uncle who was there for me and my family in my early days. I also believe he was part of the gang who played baseball with us on Sunday. Will miss you, but say hi to my mom and sister up there❤️

“ Al was Adams brother and buddy. They bowled together, worked together and grew up together in the large Rendina family. Al was fun to be around. He was thoughtful and kind. He had the family dedication to their jobs and was devoted to his children and grandchildren, never missing an opportunity to be with family. Adam and I will miss him and pray that he is resting peacefully knowing he did a fine job in his lifetime.
