“ Dear Terri and family,  
You are all in my thoughts and prayers during this difficult time. Your entire family has suffered a tremendous loss of a wonderful person. May you all find comfort in the company of each other and peace for the soul at rest. I offer my support to you, Terri, when you return home. I wish that I could be there for you now. I will keep you all in my prayers. Take care of yourselves and each other.

“ Dear Maureen & Family  
You are in our thoughts and prayers. It was a blessing for you when Al came into your lives. He was a good husband and father for all your kids. He was a kind man, with a smile on his face no-matter what crises he was experiencing in his own life. He was always fun to be around. I know you will have a big void in your life but remember you have family to rely on. We are so sorry we cannot be with you. All Our Love

“ *The first time that I met you I knew we could be friends, even when you laughed when I ask you if you had ever had a dream that you were drinking and I wanted to hit you because I thought you were laughing at me, but today I know you were laughing with me. when you see the old timers who have gone before us, give them my regards. Rest in peace my friend until we meet again.*

“ *Dear family and friends of Al. Am uncertain if I will be physically able to make the trip, but wanted you to know that I was there in spirit. When the inner voice says not to attempt something lately, I try to listen. Al and I shared almost forty years between work and the Program, a truer friend I have never had. To say that he saved my life would be to minimize his importance. You will be with me always until I see you at the Big Meeting. Love ya buddy, Grandma Steve*
