“ You will be sadly missed! You have touched many women throughout your life. Gone but not forgotten!

“ My deepest sympathies to Berdie's family...Berdie, you will never be forgotten. Your warmth, your humor, the way you and Don always opened your hearts and your home to all gave hope to many and love to all. I will miss you, but now that you and Don are re-united, I am certain that it is a joyful time for both of you. See you on the other side when Mary and I are re-united...We will have a grand, sober celebration. Until then, God rest your soul...Love, Chris

“ To know her was to love her! I met her when I was introduced to Alcoholics Anonymous and have stayed in touch ever since. She was a beautiful person and I feel truly blessed to have known her. She was the first to show me that I could have fun in sobriety. She will be very much missed by many.
