“ I grew up nextdoor Behind you for 16 years and im in walmart all the time and always saw him there i would look for him also when i would go in.I just saw him recently like a week ago or so and im so shocked to find out he is gone its so hard i know i lost two close relatives myself in Oct and Dec. You have all these wonderful memories, Photos and Movies these you will all cherish as i do, im not sure of what to say just that my heart goes out to all of you especially you Mrs Fistek it will be tough and youll always miss him but it will get some easier as time goes on may God Bless you and know that people are praying for you and your family Take care and feel free to contact me at any time i check my e-mail daily if you want to sent a note back at any time He will be missed by many.
