“ Dear [Friend's Alfie ❤️ I hope this message finds you in a place of peace and serenity. It is with a heavy heart that I write these words, as we have lost a dear friend far too soon. Your presence in our lives was a gift, and your absence leaves a void that can never be filled. You were more than just a friend; you were a confidant, a source of joy, and a beacon of light in our darkest times. Your laughter was infectious, your kindness boundless, and your spirit unbreakable. The memories we shared will forever be etched in our hearts, and your legacy will live on through the countless lives you touched. Though you are no longer with us in body, your spirit will always remain. We will carry your memory with us, cherishing the moments we had and finding comfort in the knowledge that you are now at peace. Your journey may have ended, but your impact on our lives will endure. Rest in peace, dear friend. You will be missed more than words can express, but we find solace in knowing that you are now in a better place, free from pain and suffering. With love and remembrance, Brittney Gaborko an old friend :)
