“ *Patty, Mike, and Maureen I want you to know how much I loved your mom. She was a huge part of my childhood and my mom's best friend. I know the empty feeling you have in your heart. I wish I could tell you that time takes that feeling away, but you never stop missing your mom, no matter how old you are. Try and remember all the fun things and happy memories that you have of her. I know I will treasure mine. God bless you.*
