“ I am sorry to hear about your family loss and wanted to share with you what helped me, it was the scripture at Revelation 21:3&4 and also I would like to send a brochure if it is ok.

“ Susie & kids -
I am really sorry to hear that Aunt Alma passed away. I meant to come see her, but never made the time. I know Daddy would be disappointed in me! But I remember all the hours I spent at their place when they lived over here on E. 185th, and I would come over and play Bingo with Granny.

You guys will be in our prayers....
