“ You are in my my prayers. I'm so grateful that our fathers were so close. The family memories that we made will last a lifetime. From sea world, cedar Point, Steelers games and Geagua Lake to watching those two work on the motorcycle with a basket of parts. I miss those days shared with such wonderful family. Uncle Bo was such a great man and an ever greater Uncle. I love you all and will keep you in my heart and my prayers

“ Mr. Gruber I salute you for your service and thank you for being a great neighbor and friend to my family. When I was away for my service time you watched my home and my family and did it better than if I was there myself. It was a pleasure to know you.
