“ My heart is filled with sadness at the loss of my friend. Words cannot express how lucky I am to have had Angie as my friend that treated me like family. I am forever grateful to Angie and her family for all of their help when I was growing up. I always hoped that one day I would be able to return the kindnesses they showed me - right now I just hope Angie knew how much she meant to me and that she was a good person. My sincere condolences to the family, you are in my thoughts and prayers. Until we meet again, my friend, rest in peace.

“ It is so tragic, when a vibrant young person is taken from us. I knew Angie to be a kind and just woman. She would not stand for abuse or intolerance of anybody, animal or a human being. Heaven is a better place for having her there and are missing an Angel. My heartfelt condolences go out to her parents and sister, as for the rest of her friends and family.
