“ *We were so sorry to hear the news of Angie's passing. She was such a caring and wonderful person. We are so glad that we got to spend time with her and Richard at Anna and Rich's home, and feel we were fortunate to know them as friends. We will truly miss Angie as we miss Richard, and feel truly blessed to have known them both. The world has suffered a great loss, but heaven has gained an angel.*

“ Our hearts are so broken that your family and this world have lost Angie, a true and real angel to all of us who were honored to know and love her. She always made me feel that I was a part of the Medaglia family and that meant the world to me. She was always interested in the wellbeing of others and always there with kind and caring words. We will miss her so much. Please accept our heartfelt sympathy and prayers.
