“ I did not know your family but I read of the sad news and wanted to offer my deepest sympathy and condolences, and I try to offer any comfort to ones when I can. That is why I wanted to share the scripture at Revelation 21:3&4 for you to see that pain will not always be, and the sleep will be only temporary for ones. And as Psalms 37:10,11,& 29 tells us where ones will come back to. So I truly hope this will bring some comfort to your family knowing the bibles promise for your loved one.

*With Deepest Sympathy,*
