“ Anne and family,
I am so sorry for your loss. I've many memories of summers and weekends spent at your house with your Mom looking after us while we drove Karen crazy! I always thought it was so cool that she had a booth for a kitchen table.
Please know that I am thinking of you at this time and sending you my prayers.
Sincerely, Judi

“ I'm so sorry for everyone's loss and that I cannot be there to be with you. The family and loved ones are in my prayers.

Love,
Kristin
