“ I will miss our telephone calls talking about the friendship and laughter we shared as lifelong friends. Memories of a New York City trip where we saw Paul Anka perform at the CopaCabana and another where we had fun at the Fountainebleu in Miami Beach. We were just kids who grew up to be wives, mothers and grandmothers. Throughout it all we remained close. Her love for her family was and is never ending. A beautiful soul has found peace and love both on earth and in heaven.

“ We are so sorry that Ann will no longer be with us. We have so many wonderful memories of all the times that we were able to spend together. She will definitely be missed so very much. Ann was so talented when it came to decorating and setting up parties, etc. When we needed her, she dropped everything and came to help us out with a rehearsal dinner for a wedding for our son and his wife. She went into the place and took over and instructed everyone and it was beautiful. And this was not the only time that her talents were used in our family. She should have been a planner for all the parties that she worked instead of the server. We know that she is now in the Hands of God, and we all know that there is not a better place to be. Ann's Faith in God is what we loved so much about her. Our Prayers and Sympathies go out to her Husband, Children and their Families for the loss of such a wonderful Wife, Mother and Grandmother.
