“ Ryan & Riley,
I'd like to tell you a little bit about your dad, Trooper Anthony "Tony" Hosey, Unit #959. I worked with your dad for five years at the Cleveland Post. Your dad was liked by everyone. He had a smile that was contagious. He was a hard worker, kind-hearted, selfless, motivated and funny. Your dad didn't like being the center of attention and was a man of few words, but when he did speak, everyone listened. He loved being a trooper and catching the bad guys! Did you know that your dad caught the most bad guys with stolen cars in the whole state last year?!? He was pretty awesome, some would even say he was a hero. But what he loved more than catching bad guys was being your dad! He loved you both so much and would light up when talking about you both at work. I know he's watching over you now, keeping you safe as your personal guardian Angel. I pray that you find peace in your hearts with time. Your dad loved you.
Rest easy, Hosey. We'll take it from here.

“ Deepest regrets to Tony's family. I knew Tony since he transferred to Cleveland many years ago. He was truly a conscientious young man and trooper. He set goals and exceeded them on a regular basis and was a friend to everyone. The thing I always remember about him was his willingness to admit fault or error and then truly make it right and learn from an experience. He was outstanding and you should be proud of the young man you raised. He will always be remembered and missed. Chris Zurcher

“ *The Tony I remember, was one who's big truck could be spotted a mile away, always shiny, and clean! He has a heck of a smile. We bowled together in high school. We shared many classes, and many laughs! I will hold on to those memories. Rest easy Tony. 🎳*
