“ Tony was a great man. My first meeting with him scared me . Later I came to have great respect for him professionally. Then I saw what an inspiration he was in the rooms of AA, so many people were helped and beninfited from his example. When my son passed away he was there as a professional and a friend. Finally he became a wonderful close friend and a real treasure to me. Connie, my thoughts and prayers are with you and your family. Love you Tony.

“ *Tony my friend, I will miss you in this lifetime. I could always count on Tony to tell it like it was, yet he did it simply, and with care. His friendship was unconditional, and he was there for so many who needed his wisdom. My prayers are with his family, thank-you for sharing him with us. May our Father hold him close in His arms, providing comfort, and whispering, " Well done my son."*
