“ *Beauty Of Love*

as I whisper goodbye to nature with this tiny bird in the palm of my hands... beautiful golden colors start to surround me smelling a hint of heaven in my soul they can take away my body but never my heart looking to the sky seeing the blossoming red flowers rain upon me my love is more powerful then my fear my heart takes flight with this small bird.... that made my eyes sparkle with happy tears... into the heavenly world where only joy is felt

Â© Misganaw Chekole Many things will remind me of you, your love of banana splits with hot fudge, strawberries and pineapple, your love of animals and cardinals. You always made people feel welcome and wanted. I will always cherish the joyful times we spent together. I know your memory will long live on to serve as a light to others. Francesca Vaccarino -niece.

“ *So sorry to hear of Toni's passing. I didn't know her very well but hoped to spend more time with her. I had breakfast with her a few years ago and she was so sweet. We had a wonderful time and planned to get together again. She was my father, Paul Vaccarina's, sister and he loved her very much, as he did his entire family. She was a sweet wonderful person who will be greatly missed. God Bless you, Toni, Rest in Peace. Kathy Vaccarina Becker - neice.*
