“ *Christie,*

It has been more than 25 years since we were last in touch but I couldn't ignore this. Mom sent this to me and I was so sad to read about Art. I have many fond memories of you and Art. It doesn't seem like it has been so many years since we left Ohio for California. My memories are still so strong. The Cermaks are very special to me and I think about all of you often and wonder how you are. I have often shared stories with my Husband, Daryl that he thought we were related. Sad how easy it is to lose touch when we live so far away. Of course it would have been much easier to stay in touch if we had the internet back then.
