“ *My condolences go out to the family and friends of Audrey. May you find comfort in the hope from Jehovah God of seeing her again. This hope is found in John 5:28,29 where we are told not to marvel or worry because all those in the memorial tombs will come out. So you have the hope of looking forward to seeing your loved one again. Please keep this precious hope close to your hearts and if you would like to see more scriptures about the wonderful hope soon to come contact me via e-mail.*
