“ *Dear Brian, Debbie and Carole and families:
Your mother was a joyous and precious influence on my life in my
teens years. We all had many happy times at the old house with
your mom and dad and our circle of friends. Her happy spirit and
English tea and Yorkshire pudding and all her other charming
English traits always made me smile. I feel your loss and send
heartfelt support in your sadness. Her memories will live on for all of
us, near and far. I regret being unable to be there in person, but I
send hugs from afar. God bless and keep her, another angel above,
watching over us all.*
