“ My Mom left a loving and lasting impression on the many people who knew her. Mom enjoyed cooking and baking and was most delighted when the whole family gathered together on Sundays to share her pasta dinners. I miss her already. I will love you always Mom and I promise you will never be forgotten.

“ ANGEL OF JOY

She always has a smile
The joy comes from the heart
Sharing is so worthwhile
A loving hug when you must part

When she leaves she blows a kiss
It is so thoughtful to remind
Her love fills you with such bliss
No one could ever be more kind

Love each other till each day is done
She says each moment to enjoy
The darkest night still brings the sun
We'll always have our angel of joy

[Lovingly written by Michael Mezzacappa for his wonderful Aunt Barbara]
