“ Dear Rich, Tim, Jeff

My prayers are with you. I will never forget all the good time your family & mine had together. Barb sharing her receipt for her famous cheese cake to teaching me all about flowers. She will be missed. If I can do anything for your family please call me. Everytime I'm working at the baseball game I will think of Barb.

Love Sandy

“ Dear Richard and Family:

True to her nature Barb fought a good battle. She has gone on to a new place where she will no longer have any pain. May all the good memories sustain you all through this difficult time.

Much Love from your cousin, Lisa in Tucson
