“ My fondest memories of my mother A.K.A. Willis were: Sharing cooking secrets together-Planning Holiday festivities-going on family camping trips to Jellystone National Park-taking her grandchildren Jessica, Megan & James to Geauga Lake & Sea World-watching the Cleveland Indians with her favorite player, Jim Thome hitting the game winning homey-going to the Browns games and watching her favorite quarterback, Bernie Kosar throw the winning touchdown-and most of all-being loved by the greatest mother a son could ever have." I'll miss you forever Mom" your loving son Michael...P.S " we'll always miss you too, Grandma Bea"! Love, Jessica, Megan, James, Bruce II, Anthony & Tiffany...
