“ becky was, and always will be, one of my best friends. we spent countless amounts of hours together watching movies, walking around, and going on trips to the beach, PA, and the park. we shared sooo many laughs while being super hyper from energy drinks & we sat together at lunch. she was basically like a sister to me. never will anyone meet someone with a larger heart than becky's. she never did anything wrong during her life and was the definition of an angel. she taught me to relax sometimes and just have fun. i love her family as my own and can't describe how much i miss her. it's difficult to walk past her bedroom everyday and realize she's not in there. ugh. i miss you so much beck.

“ I am so very fortunate to have met Becky and to have had her as a student in freshmen English. Her smile lit up the classroom. I will miss her and her contagious smile. The world was a better place due to her presence.
