“ I only knew Belinda for about a year and a half, but she certainly made an impression. She was a feisty one, and I will miss seeing her almost daily, as will many others at her home in Kent. She was so proud of her son. So glad she got to see him graduate. She also spoke very kindly of his dad & wife and how well they treated her. I hope she is now running with the wind.

“ I think that I can speak for the majority of us when I say that most of us are rarely tested in life, while there are those special ones amongst us like Belinda, who live their entire life being tested. Belinda's strength will continue to serve her in heaven, where she now resides!

“ My Dear Little Sister, I didn't get to spend much time with you, but you were always in my thoughts and prayers. The summer you were two, I stayed in Ohio with you all. You were in a body cast - I never saw a happier baby. Your beautiful smile and infectious laughter are what I remember most, and will cherish in my heart all the days of my life.

Love Your Big Sis, Lori
