“Bernie and I were friends when we were young kids . Bernard treat me like I was another son of his. When my dad died when I was 16 he felt so bad he treat me with so much concern for my life. When I was 17 my mom bought me a motorcycle for high school graduation. Bernard and Bernie bought the same type motorcycle so we could all ride together. I was honored to know him and thought about him during my 22 years I served in the Air Force. So glad your in heaven.
