

Beth Studer

September 21, 1947 - August 11, 2009

Beth served the community for nearly 30 years as a nurse. She cared for both infants and adults. As a nurse, she travelled widely, and thus, her friends, as well as her loved ones are scattered. As Beth preferred not to have a formal service, the family thought that her family and friends could gather separately where ever they live to celebrate and remember her at 5 pm Sunday, September 20. This is the day before her 62nd birthday. She will be dearly missed.
