“ I'm sure that Bishop Fisher is happier being deceased than to know that his daughter and grandchildren are living with a cheating lunatic.

This person above was arrested and charged with unspeakable crimes. I know Mr Thomas he is a professional businessman. Who is an outstanding husband and father. It is upsetting that because Mr Thomas protected those who were being persecuted by the poster he himself was spoken of improperly and at a time the family was grieving. Its all to obvious that the poster was mentally unstable.

I don't need Mr. Thomas to defend me. He is a creep that never showed up to my father's funeral. I think he wrote the negative thing here himself.

“ I'm sure the good Bishop is rolling over in his grave because his daughter married a philandering nut.

“ *Many hearts are broken over the loss of Pastor Jim. What a wonderful man and a great example of Christ's love for all. Countless numbers of lives were touched by his love. Once you were to "encounter" Pastor Jim....you would never escape the love that Christ wants to share with you. NEVER!! Pastor Jim was SO many things to so many people. To me, he was my spiritual father, my earthly dad, my place of comfort. My life as well as many other was so much better, because Pastor Jim was in it. My family and our lives will never be the same without him.*

“ *Judy & family,*
Our love and prayers are with you at this time of your great loss. But also we rejoice that Bp. Jim is truly enjoying what I remember as one of his great delights...fellowship and breaking bread with those he loved. Only now he is supping with the Lord and the church triumphant. I pray that the love he poured out to you and all those he met continues to flow without measure. God bless you.

“ *To the Fisher Family and family at CHS:*

I share with you all in your grief and loss and send my love and prayers to each of you at this most difficult of times.

Bp. James Jude was a man who showed what he preached and what he believed, that Christ's love, grace, mercy and forgiveness are very real, one hug from Jim and you knew Christ's love was unending.

We grieve, yet we celebrate a life that brought so many from so many walks of life to the Altar of Love.

Blessings.

“ My husband and I would like to offer our condolences to you for your lost. May you find true comfort in the resurrection hope that Jesus gave us at John 11:25,26. This precious hope in the resurrection is comforting in knowing that you will see your loved one again when resurrected back to life. May you reflect on this hope from the Bible and the hope of death being done away with and living forever on a peaceful earth found at Psalms 37:11,29. May you keep God's blessings in your hearts for strength and to see more about this precious hope from the Bible contact me via email at: Derektamala@bellsouth.net

“ *I am praying for your family. I feel a deep sense of sadness that the world has lost such a generous servant of God, yet a profound heaven-inspired joy in what he has gained. I will never forget Pastor Jim and am forever grateful that he led me to Christ. He was such an excellent example for me in my christian walk. He has fought the good fight, he has finished the race, he has kept the faith. And now he has received the "crown of righteousness".*
