“ My deepest condolences to the family during this time of grief. Bobbi was a childhood friend who was kind hearted to whomever she met. I will never forget hanging out with her in school, graduating high school together and all of the good times. While I know we lost touch after high school, I will never forget the kind soul that is and was Bobbi and will honor her memory by living my life the way she would have; with beauty, kindness and joy. RIP Bobbi, spread those angel wings and I will see you one day. All my love, Larissa
