“ I met Bonnie and Steven 2 years ago in WalMart 6/2004. We immediatley connected and became friends. In spite of her battle with cancer, she was witty, had a sincere heart of compassion for others and expressed a kind word for every one God placed in her life during her battle. I was blessed to be a part of her life during such a time as this. God\’s protection, his mercy, peace and love over Steven, Kevin and all she loved.
