“ *Met Branko years ago, through my parents business...
They, like many, enjoyed his presence.
Along with family and friends, we enjoyed his company...
The memories will surely be remembered, I think we all agree.
The best of times, were getting together for poker, casino trips, and
sixty-six, whenever he got the itch...
Most noteworthy, was his famous saying “Son-of-a- B**ch”.
He helped many of us with side jobs, he’s considered a “ One-Man -
Wonder “...
He always obliged, even though he said to a fellow friend, “ Lose my
Number “.
He surely will be missed, family and friends are at a loss, we all can
attest...
Married to Lydia, he surely was blest.*
