“ To the Young family and the Klapka's. I was so saddened today to learn of Brenda's passing. I will always remember Brenda from my school days at SHS. Though she was an upper classman at the time we were in school, she always was nice to everyone, and she had a beautiful smile. I am sure all of you will miss that about her. Please know I will remember all of you and Brenda in my prayers.

God Bless,
Bonnie Charnock
