“ Brian used to come stay at my house from the weekend when we were little kids. For some strange reason my younger sister always loved having him around. I guess he was a pretty funny guy back then. So when Sunday came around and it was time to take Brian home he couldn't find them anywhere. We searched the whole house and came up empty. It was only after on a hunch my mother cornered Nicole did she tell us that she threw his shoes down our laundry shoot so “Brian would have to stay forever”!
Me and Brian's favorite thing to do was chill out, watch whatever new release had come out on DVD that week and eat ungodly amounts of freeze pops. Really miss those days a lot. Rest Easy Big Fella.
