“ Our prayers go out to Joni and their family - we just read about Brian's passing. My wife and I attended Atlantic Baptist Bible College at the same time. Brian was a personal inspiration to me as he trained up for the ministry later in life and served on a difficult field to share the love of Christ. We will see him in glory one day!

“ *My brother Brian was my best friend growing up. Even though our lives diverged in adulthood, we remained close. When he married Jonnie, he blossomed into the man we are now mourning. Will miss you till the end of my days, Bri.*

“ I was in a hotel one time, somewhere in Maryland. I was down in the breakfast room, and I heard a voice. I knew that voice from somewhere. I looked around the corner, and lo and behold, there was Brian. I would know that voice anywhere. Until we meet again, Brian, rest in peace and enjoy all God's promises for Heaven.

So very sorry to all his family. I met Brian in our golf league and saw him around the gas stations. He always was kind and spoke lovingly about all his family and adventures.
