“ Hey gorgeous, it's almost your birthday. You have so many people that love you. I remember June 22 , 2021. You invited me over and you and Michael had all this food, balloons, cake, and everyone had a card for me. It was so special and unexpected! We had a few toasts to the birthday girls and my goodness, I had such a good time. You have touched so many people and I'm grateful and thankful for you. I miss you Carla, thank you for loving me.

“ *Carla loved her family more than anything! She never missed a holiday, birthday or get together with her family. She was an amazing mother, wife, daughter, niece, aunt, cousin, godmother and friend to many. Growing up Italian meant growing up with your cousins as your siblings and taking care of one another which she did till the very end. She was so loved by many and she gave so much love in return! We know she is in heaven watching over us reunited with her mother, father, and uncle. She was such a beautiful soul that enjoyed antiques, traveling to Italy and teaching at Park Elementary in Chardon.*

I am beyond blessed to not only have grown up with her by my side but also be such a huge roll in my children's lives. We will always cherish the moments and memories we had together. Thank you for bringing such joy into our lives, We love you Carly!
