“ Carol was a very loving person. And I know she is in a better place and feels no pain. I'm sorry that I could not make it there. I also know that my mother Jean is very sorry that she could not make it, but with her heart condition the doctors told her to stay here. Carol is with the Lord now, and is joined back with her husband. I'm sure she is smiling, looking down on all of us, and being happy that she has touched so many lives. Your family is in my prayers.

Love,
