“ Carolyn was one of my best friends for 40 years. I miss her already. I am so sorry for the family's loss. She was one of the kindest and most generous people I ever knew.

“ In ways we do not understand, our loved ones will be present in our lives forever. Something good will happen tomorrow or the day after. Keep faith and love will lead you through this horrible pain. Our condolences.

“ Grandma,  
I was with you when you left us, I love you so much, dad, matt, monica and I were with you when you where there talking with us, we will never forget the last time you communicated. I will not forget when I sang the "Johnson song" and at the end you joined in! I Know that we will be missing you but you will be there watching over all of us!

Love you Always and Forever,  
Christina Johnson
