“ Carrie and I were roommates for a short time right after graduation, in an apartment by Pacers. Some of my funnest youthful memories. We were wild young KIDS who thought we were so grown up! Krista Boyer, Diana Burgess, Carrie, and myself. It was a revolving door for us ladies but we always had each other's backs. I miss all of you ladies. May Carrie finally be at peace and may the test of us be here for a very long time! RIP my sweet friend. ❤️ ❤️ ❤️ ❤️

I was not aware she passed until 11/2. I used to work with Carrie at Natcity Investments in Downtown Cleveland. We had some good times. We went on a cruise to Mexico for her 30th birthday. What a great memory. We were good friends. I moved away and we slowly lost touch. i am so very upset she died so young. I hope her family will have some peace as time goes by.
