“Cathy and I have been good friends since our days at Brecksville High. She always brought her good humor and quick wit to our many adventures through these many years. I can't even count the number of times we were in such hysterical giggles that the tears would roll. I would describe Cathy as a caring, kind, and thoughtful person to both humans and animals. She and Mark were the true definition of sole mates and my heart goes out to him. I will miss her more than words can say.
