“ Kathy & Family, Know that Bill was always there i remember when Shawn had he accident and Bill worried about how much pain he was in and if there was anything he could do,He is a testimony to how much we can indure because if anyone every suffered it was Bill,I will always have the memory of us growing up and things we did when we were older.Twink will live on forever in our minds and heart but he will be met at the gates of Heaven by all that went before him.

Ijust want you all to no that you are in my thoughts and prayers.Bill would call me and if i was not at home he would always leave a message saying Bertha this is your brother Bill i just needed someone to talk to so i will talk to you later. I would always return his call alot of times would be hard to understand but i was always willing to listen to figure out what he had to say.It was such a blessing to see him make the long trip to my daughters wedding but he told me I WILL BE THERE. Bill and I had some long talks on the phone and those memories i will keep in my heart forever.

“ *Kathy, and family*

*I am Velma's oldest daughter and I am so sorry for your loss mom will be gone for three years here next month and I know your grief, It is a blessing and yet so difficult to let go.*

*I remember I had just finished my chemo and went into remission when uncle Bill called me and asked about chemo because he was just diagnosed. I shared with him the hardships and trials he would have yet the positives of trying to fight he without a doubt has been a strong man all his life but the strongest has been through his battle with cancer to live each day taste again and smile at his family trying to be a pillar. Like him be strong, remember the man not his disease that was just something that was your victory to many day to day wonders, and memories, now I see him at rest with mom, and all whole went before him grandma, grandpa, etc... I truly feel your grief, I will miss him in my own way as well, I will say a prayer...God Bless...Patty*
