“ I'm so sorry for your loss! My prayers are with his family. My son Maurice plays football for Air Force falcons and he still remembers what coach Ted told him, he told him not to push himself when it was so hot because it was better to take as many breaks as needed as long as he was feeling okay! We will miss you Coach Ted”

“ The message I want to leave is that you are the strongest man I have ever known. With what you were given to endure these past six years and to endure it with not one complaint, my precious son, is beyond belief. I fell in love with you 41 years ago and that love will never lessen. I pray you are safe and pain free. Watch over us, Teddy. I love you, two two bunch, oh so much and with all my heart. Mommy

“ Missy and boys -

Teddy was an amazing friend. I have many fond memories of Teddy from Upson on through High School. He had an infectious laugh and a smile that could like up a room. He was just a really great guy.

I know there are no words to ease the feeling and emotions you are experiencing but seeing the amount of love and support that is surrounding you and the family is amazing. may you find peace and strength through all this and know that Teddy is watching over you all.

*Rest in Peace Teddy!

“ Our thoughts and prayers are with you. He will always be by your side and watching over the boys in all that they do. Teddy was a great man. I had the pleasure of meeting him and the family through football. He was an amazing coach, father, and husband. You were the ones who kept him going when he was not feeling his best. Missy you are a great mother and role model for everyone. Forever in our hearts is where he will be.

He was a fine young man and will be missed by a lot of people. Just know that he is in a better place and is no longer suffering.
