“ I had the honor of escorting Chuck on the honor flight and it was a very emotional day for both of us. My husband and I had the pleasure of attending Chuck's 90th birthday party and we bought him a shirt and every time he wore it he came down to my office to show me. He always brought me three musketeers somehow he knew I needed a hug. I will miss his smiling face but I know he's happy being with Joanie. My thoughts and prayers to his lovely family.

Chuck I'll miss you so very much. Will miss our trips to bob evens on Sat morning. You will always be my hero. You and Mom are once together again and for that I'm grateful. You've been a inspiration to us all and have so much respect and love for you and Mom (Joan). Growing up next door to you was a blessing. My prayers are with you and your smile will never leave my heart. You couldn't see anymore and not once did you ever complain about it. God bless your family Chuck as you are so missed. All my love.. “ I was Chuck's mail carrier in Willoughby. He was almost always down in the lobby to chat with me. And he ALWAYS gave me wintergreen lifesavers so I started bring him root beer barrel candies since he loved them. My sincerest condolences to his entire family. Chuck was truly a gem and will be missed so much!
