“ To the family of Chet Rojeck:

My deepest sympathy to you on the loss of a fine gentleman. I had the pleasure of meeting Chet over 40 years ago in my first teaching and coaching job at Perry High School in Lake County. At that time I was an assistant basketball and track coach and competed against the Skippers from Fairport Harding High. Chet did an absolutely wonderful job with his students and athletes. He was a competitor but above all a good sport. As a basketball referee, he was one of the best. He was so good that even if would have been playing Fairport, I would not have minded him doing the game. You always knew that when Chet refereed your game that it would be done fairly, professionally and above all, done right. I feel privileged to have known him. He is one of those people who you meet in your life's travels that makes an impression and you will never forget. Again, my deepest sympathy on the loss of a great individual.

“ I was on Mr. Rojeck's 1964 State Championship football team in Fairport Harbor. I will never forget that Mr. Rojeck told us we would win the State Championship right at the beginning of the season and inspired us all to achieve that goal and we did! He was an excellent coach and teacher and will be missed by all.
