“ Kris was a long-term substitute teacher for me in the fall of 2001 when I took six weeks away from school for the birth of my first child. It was a special time for me that I will always remember and was made possible with her efforts. When I would come into contact with her in the halls for years afterward, she would always stop to say hello and ask about my kids. Mallory Loren turned 3 in October. I was very suprised and sorry to hear this morning of her passing. My family sends its regards and prayers to yours.
