“ *So many memories but I will never forget the trip to Scotland in 1999. Chris was trying to catch up on jet lag but when I said we were taking a road trip she got her self up and was ready to go. She was always ready to go and the first to offer a hand to help out.*

“ *What a privilege it was to know Chris. I loved our conversations when I was making her beautiful while doing her hair. We had the same sense of humor and had many good laughs. She paid me such a high compliment last time I saw her and to think back maybe God knew that was the last time I'd see her. I will remember her always. Sandi Heinz*
